

Johnny Appleseed Notebooking Pages

Hello Friend,

Thank you for downloading this free printable from Mercer Homeschooling.

These notebooking pages are perfect for elementary students to write about Johnny Appleseed around his birthday on September 26th or any time of the year.

Please print as many of these as you would like for your own use. But if you would like to share—and I hope you do--please share the link directly to www.mercerhomeschooling.com so your friends can download their own for free. This is in keeping with our terms and conditions.

Be blessed, Momma, and enjoy your time homeschooling your little ones.

Vida XO
